Welcome

Thank you for considering being part of Tampa Bay's first and only all marine and nautical flea market, located at the Tampa Bay Downs Thoroughbred Racing complex. The market is proving to be a very exciting opportunity for large and small vendors to increase exposure to their goods and services as well as sell new, used, damaged or outdated items. We are anticipating 40,000 visitors over four days based on historical events at the racing complex. We have already seen an intense interest in marine and nautical related items in the Tampa Bay area.

Before proceeding with the application, make sure your organization has completed the [Vendor Registration Form](#). The VRF must be approved before an application will be accepted. The VRF can be found on our web site at the bottom of the Vendor page.

Enclosed you will find a complete vendor application and several documents making recommendations. Please read the application in its entirety and direct questions to the staff using the contact information above. You should periodically check the web site for updates to the application and for additional information that will become available as the market approaches.

Check off each item below and return with payment in full to the address above. TBMFM only accepts checks but with eCheck software you can fax a clear copy of the check with the remainder of the enclosed documents.

- Vendor Agreement
- Florida Sales Tax Guidelines
- Security Precautions
- Fax payment by check to the number above with application

Make payable to: **Iler Group, LLC**

We look forward to meeting you at the market and sharing the shows success.
